

Veterans

Council: I serve with several other citizens to advise the Veterans Agent on issues affecting veterans and plan events. I have breakfast at the monthly Veterans breakfast at Brightview.

Memorial and Veteran Days: Each year on Memorial Day there is a program at the Town Hall followed by the laying of wreaths at Mount Pleasant Cemetery. It has been my honor to lay the wreath commemorating those who have made the ultimate sacrifice during the Vietnam War. On Veterans Day, there is a parade which ends at the Memorial Park near the Fire Station. It has my honor to lay one of these wreaths.
